Dimensions: D94cm x H67cm (custom sizes available upon request)

Standard Chain Length: 1200mm (custom lengths available to accommodate various ceiling heights)

The Boom 670 Chandelier is a masterful blend of modern design and premium craftsmanship, making it the perfect statement piece for luxury interiors.

Power & Light Source:

Equipped with G9 LED bulbs (included), providing energy-efficient lighting with a lumen output of 90lm per watt, ensuring optimal brightness for mid-sized spaces.

Color Temperature:

This chandelier offers flexibility with both 3000K (Warm White) and 4000K (Cool White), allowing you to tailor the ambiance to your preferences, whether you desire a warm, cozy atmosphere or a brighter, more neutral setting.

Dimmable:

Compatible with TRIAC dimming systems for smooth and adjustable lighting control, ideal for creating different moods.

Materials:

Crafted from high-grade stainless steel, enhanced by black crystal accents and smoked grey glass shades, combining modern aesthetics with durability.

Finish:

The chandelier features a sleek polished chrome finish, with the smoked grey glass shades and black crystal elements adding a refined and dramatic visual effect.

Weight:

This chandelier weighs approximately 30kg, a reflection of its solid construction and high-quality materials.

Lead Time for Backordered Items:

Approximately 10 weeks.

Code: F

Notes:

On-site assembly is required for proper installation. Professional installation is highly recommended to fully showcase the chandelier's striking design and maximize its visual impact.
