

Crystal Totem Pendant Light

Product Code: LUPS-202502/4"

Dimensions: D110mm x H780mm (custom sizes available upon request)

Standard Cable Length: 1500mm (custom lengths can be arranged to suit varying ceiling heights)

Power & Light Source:

Built-in LED light source (customizable wattage options available), offering crisp, energy-efficient illumination suitable for both residential and hospitality projects.

Color Temperature:

Standard 3000K (Warm White). Other colour temperatures available upon request, with a 10% additional charge.

Dimmable:

Compatible with TRIAC dimming systems for smooth brightness control.

Materials:

Crafted from high-purity 24% PbO lead crystal glass, precisely cut to maximize light refraction. The ceiling canopy and fittings are finished in polished chrome for a clean, modern look.

Finish Options:

Standard: Clear crystal with chrome hardware. Custom finishes available upon request.

Weight:

Approximately 4.5kg

Lead Time for Backordered Items:

Approximately 8 – 10 weeks

Code: F

Notes:

Due to the handcrafted nature and fragility of the crystal components, professional installation is highly recommended. For dramatic effect, consider using multiple pendants in staggered or clustered arrangements.
