

Norden Frost Pendant light

Product Code: LUP1102-1

Dimensions:

D95 x H170mm

D120 x H190mm

D120 x H210mm

Cord Length: 1500mm (Custom lengths available upon request)

Power & Light Source: LED 2W Built-in

Lumens: 200lm

Colour Temperature: Warm White, 3000K

Material: Hand-blown Gradient Glass + Aluminum + Stainless Steel

Finish Options:

Polished Nickel + Gradient White Glass

Weight: Approx. 1.2kg (varies by size)

Dimmable Options:

Single-head configurations are non-dimmable due to the low wattage (2W). For multi-head installations requiring dimming, the lights must be wired in series and connected to an external dimmable driver (available at an additional cost).

Installation Type: Suspended Pendant

Application: Perfect for dining rooms, living rooms, staircases, and commercial spaces. Can be installed as a single pendant or grouped into custom multi-light configurations.

Standard Lead Time for Backordered Items: 8-10 weeks

Code:B

Note: The gradient effect of the glass is achieved through a unique hand-blown process using crystal material imported from Europe. This handcrafted process ensures every piece is one of a kind, with slight variations in gradient and texture that enhance its artistic appeal.
