

## Norden Frost Void Pendant Light

Product Code: LUP1102-Y-27

Dimensions:

Overall Dimensions: D600 x H3200mm

Individual Pendant Sizes:

D150mm x 2 pcs, D120mm x 4 pcs, D95mm x 21 pcs

Ceiling Plate: Customizable to project specifications

Cord Length: 3200mm (Custom lengths available upon request)

Power & Light Source: LED 2W Built-in (per pendant)

Lumens: 200lm per pendant (Total: 5400lm)

Colour Temperature: Warm White, 3000K

Material: Hand-blown Gradient Glass + Aluminum + Stainless Steel

Finish Options:

Polished Nickel + Gradient White Glass

Weight: Approx. 40kg (varies based on size and configuration)

Dimmable Options:

Single-head configurations are non-dimmable due to the low wattage (2W). For multi-head installations requiring dimming, the lights must be wired in series and connected to an external dimmable driver (available at an additional cost).

Installation Type: Suspended Pendant

Application: Perfect for large-scale spaces such as staircases, voids, lobbies, dining rooms, and luxury commercial interiors. Fully customizable for unique project requirements.

Standard Lead Time for Custom Orders: 8-10 weeks

Code: B

Note: The gradient effect of the glass is achieved through a meticulous hand-blown process using premium crystal material imported from Europe. This handcrafted process ensures that each pendant is unique, with slight variations in gradient and texture that enhance its artistic appeal. Custom configurations and ceiling plate sizes are available to suit your specific project needs.
