

Opus Luxe Chandelier

Product Code: LUP23016/47

Dimensions: D120cm x H100cm (custom sizes available upon request)

Standard Chain Length: 1200mm (custom lengths available to accommodate various ceiling heights)

The Opus Luxe Chandelier is a true masterpiece of luxury lighting, combining precision craftsmanship with a sophisticated design. Featuring hand-cut lead crystal glass ornaments and a durable stainless steel frame with a polished chrome finish, this chandelier is an elegant centerpiece for any grand space. It is perfectly suited for use in residential foyers, high-ceiling living rooms, or upscale commercial environments looking for a statement piece.

Power & Light Source:

Equipped with E14 LED bulbs (included), this chandelier provides energy-efficient lighting with an impressive lumen output of 90lm per watt, ensuring optimal brightness for larger spaces.

Color Temperature:

The chandelier offers customizable lighting with options for both 3000K (Warm White) and 4000K (Cool White), allowing you to create the desired ambiance, from a warm and cozy atmosphere to a bright, neutral setting.

Dimmable:

Compatible with TRIAC dimming systems, offering smooth, adjustable lighting control, ideal for creating different moods for various occasions.

Materials:

Crafted from high-grade stainless steel, adorned with hand-cut lead crystal glass accents and finished with hand-painted platinum detailing, the Opus Luxe Chandelier embodies both durability and elegance.

Finish:

The chandelier features a sleek polished chrome finish, with the hand-cut crystal ornaments creating an intricate play of light, elevating the overall aesthetic.

Weight:

This chandelier weighs approximately 90kg, ensuring a robust construction and reflecting the high-quality materials used.

Lead Time for Backordered Items:

Approximately 10 weeks.

Code: F

Notes:

On-site assembly is required to ensure proper installation. Professional installation is highly recommended to fully showcase the chandelier's grandeur and beauty.
