

Royale 600 Chandelier

Product Code: LUP61009/24

Dimensions: D60cm x H90cm (custom sizes available upon request)

Standard Chain Length: 1200mm (custom lengths available to accommodate various ceiling heights)

The Royale 800 Chandelier features a premium stainless steel frame finished with a highly polished mirror-like chrome surface. Adorned with a luxurious combination of Egyptian Asfour and K9 crystal accents, this chandelier adds a dazzling display of sparkling light. The frame color can be fully customized to match your interior's aesthetic.

Power & Light Source:

Equipped with 15 x E14 LED bulbs (included), this chandelier provides energy-efficient lighting with a remarkable output.

Color Temperature:

Available in 3000K (Warm White) and 4000K (Cool White), allowing you to tailor the atmosphere to your preference.

Dimmable:

Compatible with TRIAC dimming for smooth, adjustable lighting control. Customization available for DALI, Zigbee, or other intelligent lighting systems upon request.

Materials:

Crafted from high-grade stainless steel with a sleek electroplated chrome finish. The design is enhanced with Egyptian Asfour and K9 crystal hangings that reflect light beautifully.

Finish:

Electroplated chrome finish with customizable frame color options to suit your project needs.

Weight:

Approximately 30kg, showcasing its durable build and the use of high-quality materials.

Lead Time for Backordered Items:

Approximately 10-12 weeks.

Code: F

Notes:

On-site assembly is required, and professional installation is highly recommended to fully showcase the chandelier's beauty.
