Product Code: LUP71012/9

Dimensions: D22cm x H120cm (custom sizes available upon request)

Standard Chain Length: 1200mm (custom lengths available to accommodate various ceiling heights)

The Serenade Cascade 1200 Chandelier combines modern craftsmanship with timeless elegance. Its compact yet striking form makes it a standout feature in both residential and commercial spaces.

Power & Light Source:

Built-in LED light source, providing an energy-efficient solution with a 3000K (Warm White) color temperature for a warm, inviting atmosphere.

Dimming Options:

Non-dimmable for steady brightness, TRIAC dimming for smooth, adjustable lighting control, and smart lighting system compatibility, allowing integration with DALI, Zigbee, or other intelligent control systems upon request.

Materials:

Constructed with a high-grade stainless steel frame and a sleek chrome finish.

Embellished with cascading strands of 24% lead crystal in clear and black accents, creating an elegant and luxurious appearance.

Finish:

Polished chrome finish that enhances the reflective quality of the crystals and elevates the overall design.

Weight:

Approx. 12kg, ensuring a balance between solid construction and ease of installation.

Lead Time for Backordered Items:

Approximately 10 weeks.

Code: F

Notes:

On-site assembly is required for proper installation.

Professional installation is recommended to fully showcase the chandelier's grandeur and brilliance.
