### Main Specifications

|                       |                                                                                                                                                                                                                                   |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code:         | LUP8262-5B                                                                                                                                                                                                                        |
| Dimensions:           | D170mm × L1200mm × H340mm                                                                                                                                                                                                         |
| Total Height:         | 2500mm (standard) or custom size available                                                                                                                                                                                        |
| Power & Light Source: | Built-in LED, 3W × 5 (3000K)                                                                                                                                                                                                      |
| Luminous Flux:        | Approx. 90lm per Watt                                                                                                                                                                                                             |
| Colour Temperature:   | Standard warm white 3000K. For custom colour temperatures, an additional 10% charge applies                                                                                                                                       |
| Dimming Options:      | All LED bulbs include standard TRIAC dimming capabilities except those under 5W, which are non-dimmable. For DALI dimming, an additional \$300 per light applies, including a remote DALI driver and compatible low-voltage bulbs |
| Material:             | Aluminium and glass                                                                                                                                                                                                               |
| Finish Options:       | Brushed Gold, Matt Black                                                                                                                                                                                                          |
| Standard Lead Time:   | 12 weeks for backordered items                                                                                                                                                                                                    |
