Main Specifications

Product Code: LUP206603/57

Dimensions: D145cm x H160cm (custom sizes available upon request)

Standard Chain Length: 1200mm (custom lengths available to accommodate various ceiling heights)

The Boom Chandelier is a bold and striking piece that combines modern design with meticulous craftsmanship. Featuring a durable steel frame with an electroplated chrome finish, it is complemented by black crystal accents and smoked grey glass shades, creating a visually stunning feature for any large space. This chandelier is perfect for grand residential spaces, high-ceiling foyers, or upscale commercial environments seeking a bold design statement.

Power & Light Source: Equipped with G9 LED bulbs (included), this chandelier provides energy-efficient lighting with an impressive lumen output of 90lm per watt, ensuring optimal brightness for larger rooms and open spaces.

Color Temperature: This chandelier offers versatile lighting options with 3000K (Warm White) and 4000K (Cool White), allowing you to create a warm, inviting atmosphere or a bright, more neutral ambiance based on your preferences.

Dimmable: Compatible with TRIAC dimming systems, offering smooth, adjustable lighting control, ideal for creating the perfect ambiance for any occasion.

Materials: Crafted from high-grade stainless steel, adorned with black crystal accents and smoked grey glass shades, the Boom Chandelier combines durability with contemporary elegance.

Finish: The chandelier features a sleek polished chrome finish, enhancing its modern design while the smoked glass shades and black crystal elements add a dramatic and refined aesthetic.

Weight: This chandelier weighs approximately 80kg, showcasing its robust construction and high-quality materials.

Lead Time for Backordered Items: Approximately 10 weeks.
