Main Specifications

Product Code: LUP23720/31.5/12L

Dimensions: D800mm x H400mm (custom sizes available upon request)

Standard Chain Length: 1200mm (custom lengths can be arranged to suit varying ceiling heights)
The LUP23720/31.5/12L Chandelier is a masterpiece of modern luxury and refined craftsmanship. Designed to be a statement piece in any space, it features a sleek stainless steel frame with a precision-polished, mirror-like finish, combined with elegant smoked grey crystal glass prisms that add an air of sophistication.

Power & Light Source: Equipped with 12 x LED E14 bulbs (included), this chandelier provides energy-efficient lighting with an impressive lumen output of 90lm per watt, ensuring optimal brightness for both residential and commercial settings.

Color Temperature: The chandelier offers versatility with 3000K (Warm White) and 4000K (Cool White) color temperature options, allowing you to customize the lighting to create either a cozy, warm ambiance or a brighter, neutral setting, depending on your preference.

Dimmable: Compatible with TRIAC dimming systems, this chandelier offers seamless control over lighting intensity, making it ideal for creating the perfect mood for any occasion.

Materials: Crafted from high-grade stainless steel, the chandelier is complemented by luxurious smoked grey crystal glass prisms, which enhance its striking appearance and reflect light in a captivating way.

Finish: The chandelier features a sleek chrome finish, paired with the smoked grey crystal prisms, offering a perfect balance between contemporary elegance and understated luxury.

Weight: Weighing 60kg, this chandelier showcases its durable construction and the use of top-quality materials.

Lead Time for Backordered Items: Approximately 10 weeks.
