Main Specifications

Product Code: LUP7093/48/12+6L/1038-701

Dimensions: D1220mm x H1270mm (custom sizes available upon request)

Standard Chain Length: 1200mm (custom lengths can be arranged to suit varying ceiling heights)
The Versailles Radiance Chandelier is a stunning blend of luxury and craftsmanship, designed to make an exquisite statement in any grand space. With its impressive dimensions of 1220mm in diameter and 1270mm in height, this chandelier can be customized to fit your specific space requirements, making it an ideal centerpiece.

Power & Light Source: Fitted with LED E14 bulbs (included), providing exceptional efficiency with a lumen output of 70lm per watt.

Colour Temperature: The chandelier offers flexibility in colour temperature, with options for 3000K (Warm White) or 4000K (Cool White), depending on your preference for creating a warm, inviting atmosphere or a brighter, more neutral setting.

Dimmable: Compatible with TRIAC dimming systems, allowing seamless control over lighting intensity to suit different moods and occasions.

Materials: Crafted from premium-grade stainless steel, the chandelier is adorned with either high-grade K9 crystals or the luxurious Asfour crystals from Egypt, ensuring maximum brilliance and light reflection.

Finish: Finished in elegant chrome with gold interior accents, the chandelier exudes timeless elegance and sophistication.

Weight: Weighs 80kg, signifying its robust build and the use of top-quality materials.

Lead Time for Backordered Items: Approximately 10 weeks.
